RE: ONTARIO DIAGNOSTIC CENTRES ANNOUNCES THE EXPANSION OF ITS  
THYROID NEEDLE BIOPSY PROGRAM

Ontario Diagnostic Centres is pleased to announce the availability of Fine Needle Aspiration of thyroid nodules at the Six Points Diagnostic Imaging location at Dundas & Kipling. While these procedures have historically been done in hospital, they were previously being done, and continue to be done, at the ODC Radiology Associates Mississauga location at Dundas & Hurontario.

The radiologists felt it was a valuable service to be able to offer to patients in the Etobicoke region. We are taking referrals immediately.

For further information, please contact Six Points Diagnostic Imaging at (416) 231-3369.
